In January of 2015 the director of EscapArte-teatro hispanosuízo, Annette Kuhn, and her kompagnion Markus Keller travelled to Buenos Aires, with the dream of realizing a theater project with argentinian actors and musicians.

***Instense, authentic and funny*** – We found the actress Liliana Vercellini of Buenos Aires and Sebastián Bossero from Patagonia, who ist living in Zurich.

The "Trío Vagón Tango" of Buenos Aires will participate with its excellent repertory of tango and argentinian folk music.
